

ART & ANIMATION

Art and Animation is a great way for kids to relax and express themselves creatively, while still learning after school.

Animation

Stop frame animation can be seen in classic movies like Wallis and Grommit and Fantastic Mr. Fox.

We teach children the skills and techniques to transform their creative ideas into mini movie clips.

Digital Art

We provide the latest software and technology for children to work on, as well as quality artists' materials.

As artists, we teach technical and artistic skills, as well as working on drawing techniques.

Termly courses, throughout year / Tues - 3.00pm-4.30pm
