Welcome to Victoria College

The Foundation was launched in 2002 as part of the 150th anniversary of the opening of Victoria College and is registered as a Jersey Charitable Trust (registration number 412).

We are proud to be able to make a Victoria College education accessible to aspirational boys from all walks of life. We currently support around 60 boys, of which over 20 are through Foundation support, across both Victoria College and Victoria College Preparatory School, on a range of full to partial bursaries.

We are looking for Victoria College Foundation Partners to help us keep supporting these bursaries and extend this support to even more Jersey boys and their families. This growth in financial support, aiming to increase our College's inclusivity and to support students from all walks of life to have the opportunity of a Victoria College education, is the main priority for our Foundation in the immediate future.

More than a school, we are a community

Victoria College continues to thrive as Jersey's oldest Government of Jersey school (established in 1852) in educating aspirational young men from all backgrounds.

With the dedication of our teaching and support staff, the Foundation, Board of Governors, Association of Old Victorians and parent volunteers – we are a strong community. Together, we prioritise the wellbeing, learning and prospects of our boys. We also cultivate a base for lifelong belonging and a culture of giving back to the community. Many of our Old Victorians come back to volunteer their time and contribute to the school as Foundation Partners, both financially and by sharing their expertise and experience in their chosen careers.

On behalf of the Victoria College Foundation and Old Victorian Association, I hope that your organisation will consider becoming a Foundation Partner and join us in building successful futures together.

Floreat Collegium!

The Merits of Becoming a Foundation Partner

The Victoria College Foundation aims to ensure that aspirational boys from all backgrounds are able to access Victoria College's world-class education without financial barriers. Made possible through the provision of bursaries, this aids the school in becoming an inclusive and engaged community which fosters positivity, wellbeing and a culture of kindness. The College needs healthy partnerships to ensure that the bursaries currently offered can be sustained for both current and future Victoria College students.

As a Foundation Partner, we offer your organisation brand exposure and opportunities to engage with our extensive network of students, staff, parents and volunteers (i.e. governors and trustees) and stand out as an employer of choice. Partners are welcome to choose their level of commitment, whether that be a one-off donation or the provision of a bursary for one year. A commitment to working with us over a three year term or more is a huge advantage to ensure our relationship can be cultivated. It also helps the College to be able to make prudent longer term financial planning decisions. Access to our graduate K.I.T database (our sixth form graduate database) is given exclusively to Platinum Partners.

Student Testimonials

"I will forever treasure the memories I have made at Victoria College and school has helped me to become the person I am today; I know that many students of the past, present and future feel the same way."

"Victoria College has helped me gain a lot of confidence - I now feel much more comfortable with being myself and engaging with other people. It has also helped me make many new friends and prepare myself properly for a role in the adult and professional world."

"I've been given a lot of opportunities to do various activities. From internships to public speaking courses - the variety of things I have been able to do has been impressive."
