

# E-SAFETY SAFEGUARDING SEMINAR

Year 5 parents are all invited to an E-Safety Safeguarding Seminar, led by two Designated Safeguarding Leads from Victoria College: Anthony Griffin (Assistant Head) and Patrick Crossley (Deputy Head).

The focus of the session will include:

- Identifying the main risks your son will face online and how to address them.
- A chance to discuss the major risks to safeguarding and support the well-being of our children.
- How College will continue to safeguard pupils in regard to E-Safety.

The Senior Safeguarding Team from Victoria College will share important information and terminology that will equip you, as parents, in how to support and protect your children from risks online.
