

Dear Parent/Guardian,

Jersey Music Service Violin Project

Your child will be taking part in an exciting music project this term, receiving specialist violin tuition from Jersey Music Service. The project will take place weekly for a period of 10 weeks. Every child taking part will be allocated an instrument for the project and will be permitted to take their instrument home to practise after the second session.

Your support in helping your child to remember their instrument every week and encouraging them to practise at home in between sessions will ensure that the project runs smoothly and effectively.

Throughout the project the children will develop a broad range of musical skills, introducing and developing universal musical concepts such as pulse, rhythm, pitch, dynamics and ensemble skills.

At the end of the project, all parents are invited to attend a concert, where the children will demonstrate what they have learnt. This will occur in week 10 of the project during project teaching time. Confirmation of the concert will be confirmed at a later date.

After the concert the instruments will be returned to Jersey Music Service for use in future projects and it is therefore essential that the violin loaned to your child is looked after carefully and returned in the same condition as it was received. Damage to instruments will be charged at between £20 and £50 and a replacement bow is £25.

Please complete and return the permission slip below to your child’s class teacher to confirm your support.

.....

Jersey Music Service Violin Project

I give permission for _____ Class _____

to take part in the Jersey Music Service Violin Project.

AGREEMENT

I hereby certify that I accept full responsibility for any loss or damage to the instrument while it is in my child’s care. I undertake to return the instrument at the end of the project or when requested to do so. I agree to support with practise and will ensure the instrument is brought to school on the correct day each week.

Signed (Parent / Guardian) **Date**
